

TERMS AND CONDITIONS

Eversource Connecticut Residential Electric Vehicle Managed Charging Program

These Terms and Conditions govern The Connecticut Light and Power Company, doing business as Eversource Energy ("Eversource"), Connecticut Residential Electric Vehicle (EV) Managed Charging program ("Program"). By submitting a signed application, the customer acknowledges that they have read, understand and agree to these Terms and Conditions. Funding for the Program is limited to the current program term and available only while funds last.

Managed Charging incentives are available to Eversource residential electric customers with an eligible EV or EV charger.

GENERAL REQUIREMENTS

To be eligible to participate in the Program, customers must:

- Be an Eversource residential customer with an active electric account ("Customer"). A residential customer is defined as an existing Eversource Connecticut customer living in a single-family home or in a multifamily property with four or fewer units.
- Own or lease a plug-in hybrid EV or a battery EV.
- Customers receiving an EV Charger and Wiring Upgrade rebate are required to enroll in Managed Charging and remain enrolled for at least 24 months from the date their device connection is completed.
- Customer enrolling in Managed Charging (and not receiving a charger or wiring upgrade rebate) is required to remain enrolled in the Program for at least 12 months from the date their device connection is completed.
- Customer cannot receive both an EV Charger and Wiring Upgrade rebate for an eligible charger and a Managed Charging enrollment incentive. Customers may combine an EV Charger and Wiring Upgrade rebate for a wiring upgrade with a Managed Charging enrollment incentive.
- Enrollment may take the form of either two vehicles participating via telematics OR two networked Smart Chargers.
- To be eligible for an EV Charger and Wiring Upgrade rebate Customer must have a household income at or below 300% of the Federal Poverty Level (FPL) or live in a High Poverty, Low Opportunity (HPLO) census tract.

MANAGED CHARGING REQUIREMENTS

PERFORMANCE INCENTIVES

- Customer enrolled in Managed Charging will receive ongoing performance-based incentives. Customers must meet the minimum Program requirements to earn incentives.
- If eligible, Customer will receive participation incentives semi-annually (spring and fall), reflecting the previous six months of performance.
- **Off Peak Rewards**
 - Customers may earn up to \$120 per year, at \$10 per month for meeting participation goals.
 - Customer successfully meets participation goals by charging at least 80% of the time during off-peak hours (anytime outside of 3pm to 9pm on weekdays) in a month.
 - Customers will receive a monthly notification summarizing their performance from the previous month.
 - Customer must also participate in all "Emergency Demand Response Events", during which EV charging may be curtailed during periods of high demand on the electric grid.
- **Scheduled Charging**
 - Customers may earn up to \$300 per year, at \$25 per month for meeting participation goals.
 - Eversource will coordinate the daily charging schedule.

- Customer is responsible for adhering to the schedule and must complete at least two 15-minute charging sessions per month without overriding the schedule more than twice to charge on peak.

VEHICLE CONNECTION REQUIREMENTS

- Limit of two incentivized vehicle connections per electric account.
- Enrollment in Managed Charging is required to receive a Vehicle Connection enrollment incentive.
- Vehicles listed on the Electric Vehicle and Charger Qualified Products List (“QPL”) may be eligible to participate. Customers will be provided with activation instructions for connecting their EV or EV charger during the enrollment process. Please refer to the current QPL available at eversource.com/home-ev-charging

SMART CHARGER REQUIREMENTS

- The Smart Charger must be listed on the QPL and be installed at the Customer’s service address listed on the application.
- Eversource must be able to confirm manufacturer-supported network connectivity and data availability.

MANAGED CHARGING PARTICIPATION TIMELINE AND WITHDRAWAL

- Customer may unenroll from Managed Charging without penalty after completing the minimum required months of participation.
- Enrollment continues automatically unless Customer unenrolls by emailing: ManagedCharging@eversource.com.
- If Customer unenrolls prior to completing the minimum required months of participation, they must repay a prorated portion of any EV Charger and Wiring Upgrade rebate (if applicable) or enrollment incentive they may have received. Exceptions may be granted at the sole discretion of Eversource.
- Customers who move within the Eversource service territory may continue to participate if the new residence meets eligibility requirements. Moving outside the service territory is an approved reason for early unenrollment without penalty. Customer must communicate any change of Program participation status to the Program team by emailing ManagedCharging@eversource.com.
- Rebates and incentives may be changed, modified, substituted, replaced, ceased, or terminated at any time at the discretion of Eversource and/or the State of Connecticut, with or without notice. Customer’s continued participation in Managed Charging constitutes acceptance of all such changes, replacements, assignments or terminations.

HOLIDAYS

- For purposes of this Program, holidays are those recognized by the State of Connecticut, including:
 - New Year’s Day, Martin Luther King, Jr. Day, Lincoln’s Birthday, Washington’s Birthday, Good Friday, Memorial Day, Juneteenth Day, Independence Day, Labor Day, Columbus Day, Veteran’s Day, Thanksgiving Day, and Christmas Day.
 - On holidays falling on weekdays, participants are not required to curtail their charging.

MANAGED CHARGING INFORMATION SHARING

Customer agrees and authorizes the following:

- Eversource may send emails, text/SMS messages and notifications related to Managed Charging, including enrollment updates and adjustments to the connected charger or vehicle setting.
- Eversource may send emails related to incentive fulfillment.
- The vehicle and/or charger manufacturer will share certain Customer information, potentially including personally identifiable information (PII), charging behavior, opt-outs and connectivity status (collectively, “Customer Information”), with Eversource or its Program provider for enrollment and participation.
- Eversource may use Customer Information to:
 - Operate, administer, market, evaluate, analyze, change or improve Managed Charging.

EVERSOURCE

- Prepare aggregated or anonymized reports for third parties, including governmental entities such as the electricity system regulatory bodies.
- Understand and evaluate charging habits to inform the development and creation of utility programs and load planning.
- Eversource may also use and publish information regarding your participation in Managed Charging and your use of the Smart Charger so long as the information is presented in an anonymized, aggregated format (i.e., in a manner that does not identify Customer).
- Eversource will not share or utilize PII outside of Program administration.
- When applicable, Eversource may access up to 12 months of historical charging data prior to enrollment.

PAYMENT

Payments for complete and accurate applications are issued through the U.S. Postal Service and may require several additional days for delivery. Questions may be directed to EversourceCTResidentialEV@resource-innovations.com.

APPROVAL AND VERIFICATION

EVERSOURCE DOES NOT MAKE ANY WARRANTIES OR REPRESENTATIONS OF ANY KIND, WHETHER STATUTORY, EXPRESSED, OR IMPLIED FOR THE PERFORMANCE OR INSTALLATION OF THE EQUIPMENT AS A RESULT OF THE APPROVAL AND VERIFICATION PROCESS. Customer also grants Eversource the right to confidentially share Eversource account number information internally for rebate processing procedures.

TAX LIABILITY

Eversource is not responsible for any tax liability that may be imposed on Customer resulting from rebates or incentives received.

ENDORSEMENT

Eversource does not endorse any manufacturer, contractor, vendor, product, retailer or system design.

LIMITATION OF LIABILITY

Eversource's liability is limited solely to paying the Managed Charging enrollment incentives (if applicable) and participation rewards specified herein, if performance goals were met. Eversource is not liable for any damages arising out of or resulting from participation in the Program, including but not limited to loss of profits, loss of revenues, failure to realize expected savings, loss of data, loss of business opportunity, or similar losses of any kind, as well as any indirect, incidental, punitive, special, or consequential damages, or for any damages in tort connected with or resulting from participation in this Program.

Customer understands that Program funding is provided by Eversource ratepayers with approval from the Connecticut Public Utilities Regulatory Authority ("PURA"). Eversource does not guarantee ongoing availability of funding and is not responsible for any costs or damages incurred by Customer if funding is reduced or eliminated by the State of Connecticut or PURA action. Funding is subject to change at any time without notice.

CUSTOMER CERTIFICATION

Customer certifies that he/she has purchased the equipment listed on this Application and that the Smart Charger was installed by a licensed contractor at the defined location. Customer agrees that all information is true and that Customer has conformed to all Program and equipment requirements listed.

WARRANTIES

EVERSOURCE DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. EVERSOURCE MAKES NO WARRANTIES OR REPRESENTATIONS OF ANY KIND, WHETHER STATUTORY, EXPRESSED, OR IMPLIED, INCLUDING WITHOUT LIMITATIONS, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE REGARDING THE EQUIPMENT OR SERVICES PROVIDED BY A MANUFACTURER, CONTRACTOR OR VENDOR.
